This regulation establishes procedures for administrative hearings provided by the District to enforce KRS Chapter 77, District regulations, orders of the Board, and permits and to provide an opportunity to be heard to persons aggrieved by orders of the Board or actions on permits.

SECTION 1 Applicability

This regulation applies to administrative hearings provided by the District for the following purposes:

- 1.1 Enforcing KRS Chapter 77, these regulations, orders of the Board, and permits, and
- 1.2 Providing an opportunity to be heard to persons who consider themselves aggrieved by orders of the Board or actions taken by the District or the Board on construction permits, operating permits, or other permits, so long as the person has not previously been heard regarding that matter in an administrative hearing pursuant to this regulation. An action on a permit includes the issuance, denial, modification, transfer, suspension, or revocation of the permit.

The Secretary-Treasurer shall serve written notice of the petition on each person named in the petition and shall schedule an administrative hearing to be held not less than 30 days after the petition is filed unless the person complained against waives in writing the 30-day period.
- 2.2 Permittees or persons who consider themselves aggrieved by orders of the Board or actions taken by the District or the Board on permits may file a petition for an administrative hearing with the Secretary-Treasurer so long as the person has not previously been heard regarding that matter in an administrative hearing pursuant to this regulation. The petition shall allege that the action is contrary to law or fact and is injurious to the petitioner, state the grounds and reasons for the allegation, and request an administrative hearing. Unless the Board considers the petition frivolous, the Secretary-Treasurer shall serve written notice of the petition on each person named in the petition and shall schedule an administrative hearing to be held not less than 60 days after the petition is filed unless the person complained against waives in writing the 60-day period. The right to request an administrative hearing pursuant to this regulation shall be limited to a period of 30 days after the petitioner has had actual notice, or could reasonably have had notice, of the order or action specified in the petition. Prior to scheduling an administrative hearing, the Secretary-Treasurer may require the parties to meet for settlement purposes.
